

Rain Gauge (Tolok Hujan) (0.2kg) Code : ITKT - 001/ WM 160/ EM176

Weather Vane (0.3kg) Code : ITKT - 002/ WM 180/ EM 195

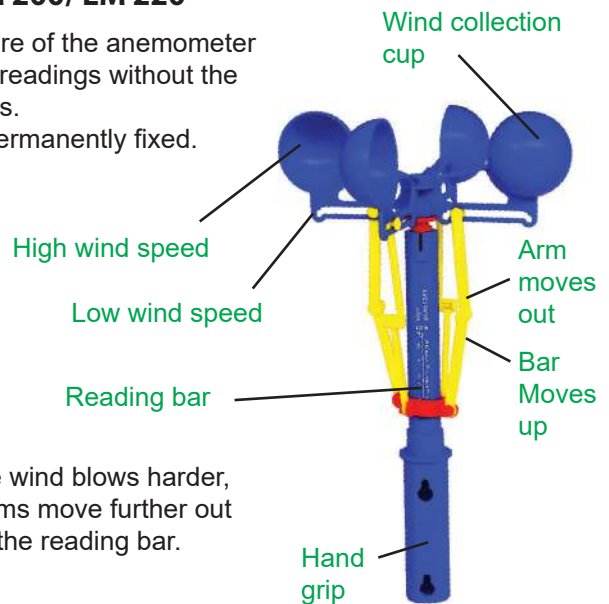

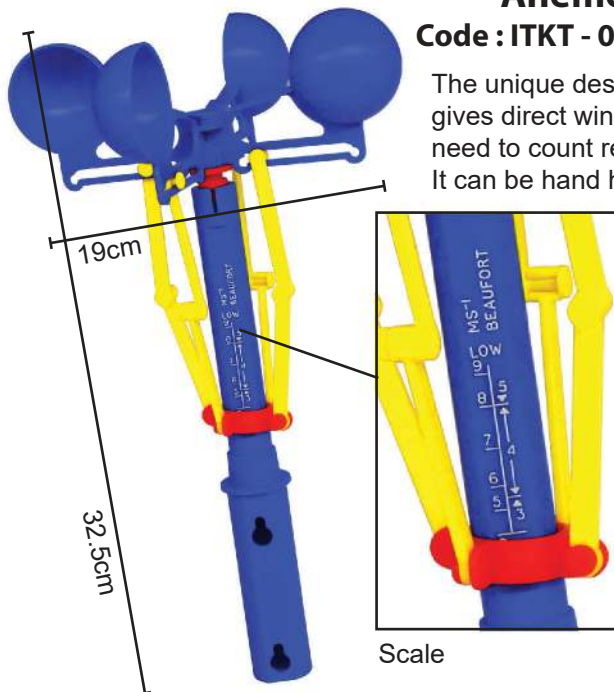

The facility to take this product apart will encourage children to incorporate their own designs for new parts.

Anemometer (0.3kg)

Code : ITKT - 003/ WM 200/ EM 220

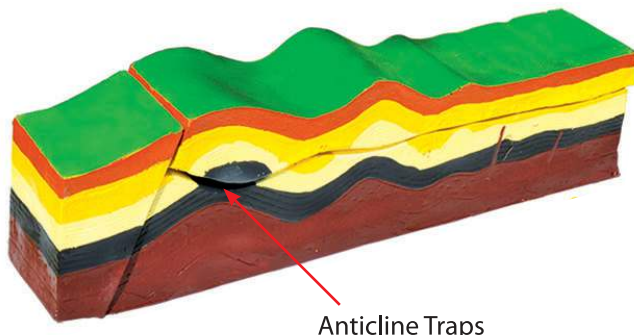

The unique design feature of the anemometer gives direct wind speed readings without the need to count revolutions. It can be hand held or permanently fixed.

As the wind blows harder, the arms move further out lifting the reading bar.

Salt Dome Trap (Geology) (1.4kg)

Code : ITKT - 005/ WM 290/ EM 320

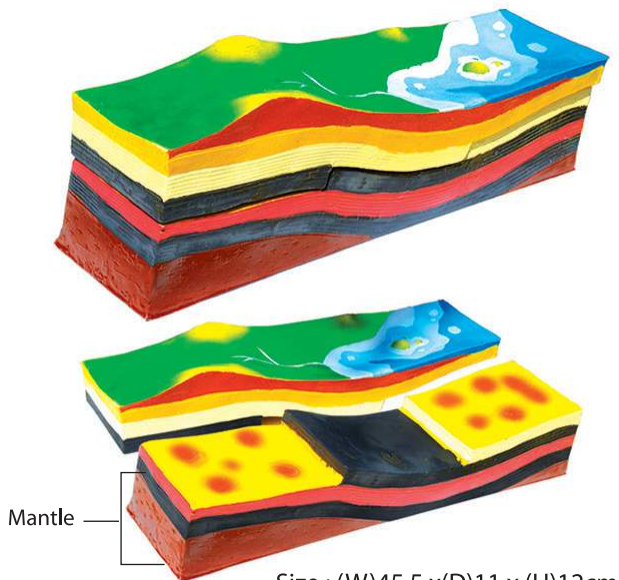

Anticline Traps

For investigations of geographical and geological features environmental situations and points of interest for field trips right in your classroom.

Size : (W) 46 x (D) 9 x (H) 14cm

Beach Geology Model (1.3kg)

Code : ITKT - 006/ WM 325/ EM 350

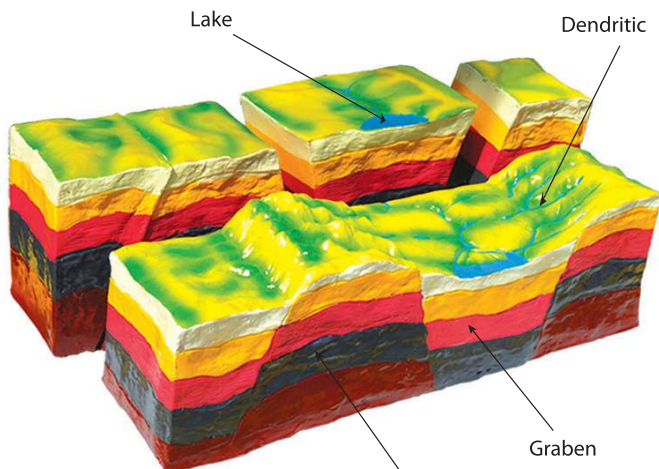

Mantle

Size : (W)45.5 x(D)11 x (H)12cm

Model of Fracture Structure & Horst-Graben (2.5kg)

Code : ITKT - 004/ WM 325/ EM 350

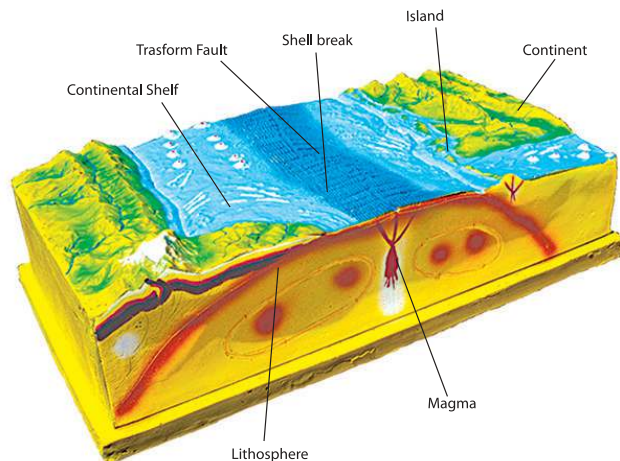

Size: (W)45 x(D)11 x(H)15cm
