Magnetic Tangram Puzzles (2.1kg)
Code : ITAT - 049/ WM 240/ EM 250

MENTAL & PHYSICAL GROWTH

The tangram puzzle is a clever matching game that has been around for thousands of years. For a game to endure that long it must have very special qualities! The open-endedness of the puzzle invites the player to apply elements of imagination and creative ability - each player at his own level.

A very young child will play with the shapes and arrange them in abstract patterns, then learn to form them back into a square.
